

Mike Carballa, P.E.

County Administrator

BIOGRAPHY

A Tampa Bay Area native and Pasco County resident for nearly 20 years, Mike Carballa began working for Pasco County Government in 2014 as the director of the Utilities Engineering Department. Prior to the Board of County Commissioners selecting him to be the next the county administrator, he served as the assistant county administrator over the Public Infrastructure Branch. This nearly 1,000-person branch is responsible for the county's major utility, solid waste, transportation, and stormwater infrastructure. Mike has more than 25 years of leadership experience in local government, the private sector, and as an officer in United States Air Force. He is a registered Florida Professional Engineer and holds a master's degree in business from the University of Florida and a bachelor's degree in engineering from the University of South Florida.
